

EDWARD G WEISS JR

E. G. Weiss is a nationally renowned threat analyst and expert in the fields of Emergency Management, Disaster Preparedness, Terrorism, BIO Terrorism, and all types and phases of disasters. With over 100 certifications to his credit from prestigious organizations such as FEMA, John's Hopkins, Yale University School of Medicine, and the National Emergency Response & Rescue Training Center (NERRIC), Weiss is a leading expert in Emergency Preparedness and is able to speak on a wide array of subject matters involving crisis and emergency responses.

Weiss' knowledge and expertise comes from an incredible number of hands on involvements with virtually every major act of domestic terrorism and national disasters this country has faced over the last several decades. From 9-11, to Katrina, Sandy, to Columbine, Weiss and his team of specialists have been there as first responders and assisting agencies and individuals cope with crisis. His firsthand account of terrorism and national disasters provides a backdrop to his keynote addresses and puts him as the respected authority on the subject.

As a published author, Weiss is in demand as a speaker and instructor at many different levels of both the government and corporate worlds. Present books available through 1910 Publishing Co. include:

The Definition of Unprecedented, The Devil You Know, Home Grown Terrorism in the United States, Chaos Across Continents, Borderline Chaos, Forgotten in the Storm, From Protectors to Pariahs, Fractured Nation, Frontline Messaging, Ten Principles of Battle, Grandma Cripes and the Mayans, The Man from Nevergo, The Purple Tornado, Momma's Prayer, We Could Have Been Great, CPTED for Commercial and Healthcare Settings, and The Tactical Family.

Weiss' experience consists of crisis counseling, emergency management and response work, firefighting, emergency medicine and as a national threat assessment adviser to hospitals, civic organizations, cities, states, corporate America and national and governmental agencies. Weiss is asked to present at national conferences, corporate conferences, expos with a client list that includes municipal associations, national and international corporations, emergency management and response agencies, state and county government entities and larger consulting firms.
